Introduction

We are proud to offer you our great range of programs in 2019.

The Geelong College Recreation Centre 2019 programs are designed specifically for the needs of local schools and sporting organisations. We will continue our commitment to support the Victorian Education Learning Standards and local community groups.

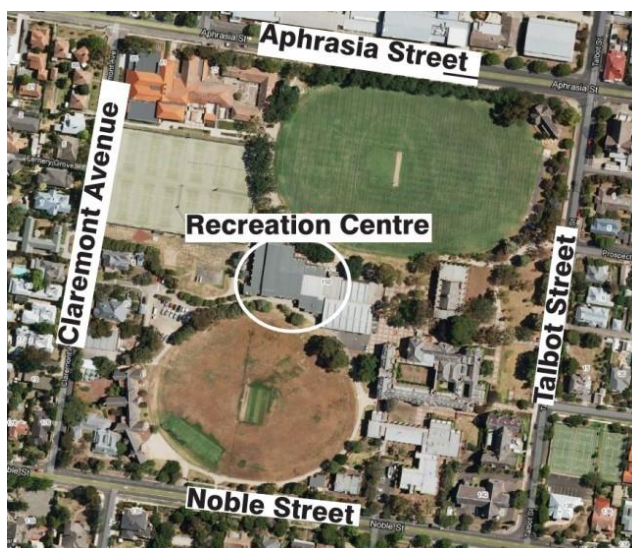

Our qualified team of recreation professionals are friendly and enthusiastic which creates an enjoyable and safe environment for groups and individuals. Our aquatic instructors hold an AUSTSWIM Teacher of Swimming and Water Safety qualification (or equivalent industry accreditation).

Facility

The Geelong College Recreation Centre was opened in November 1999, to provide a high quality aquatic training, recreation and competition venue for the students, staff and community of The Geelong College. The Aquatic Centre consists of an indoor, 8 lane, 25 metre, variable depth pool, with diving area including 1 metre and 3 metre diving boards.

The pool can cater for a number of aquatic activities at once and is suitable for lap and squad swimming, learn to swim, water polo, diving and synchronised swimming. The pool is treated with an advanced filtration chemical system, giving it a water quality of the highest standards.

The Centre is located at The Geelong College Senior School campus, Aphrasia Street, Newtown.

- Schools must inform us of what type of program they are conducting, if they are not using the swim survive program.
- Special Needs Students - To assist us in the development of your program it is important that you provide as much detail about Special Needs that you have attending the program, including: Nature of disability/s, if a carer is going to be in the water, when the client is attending, specifically which session, and What you want the students to achieve? E.g. Fitness, Rehabilitation, safety and survival.
- The Centre must be notified if a child has a medical diagnosis that may affect his/her performance in the Swimming Program.
- Student numbers must be entered into the attendance record booklet situated on the small table, on entry to the centre.
- A designated 'Teacher in Charge' will be required from your school to be on pool deck at all times to assist in any issues that may arise. This staff member needs to report to the Duty manager at the centre before commencement of the program.
- All parents, spectators, and helpers must sign in upon arrival
- School teachers are also required to keep parents away from the pool edge at all times.
- Day 1 and 2 of the program The Geelong College Recreation Centre Staff will rearrange students into their correct levels. After that time it may be necessary for the designated 'Teacher in Charge' to assist in transporting a child to another group.
- It is recommended that your school provide First Aid during your program and have a First Aid Kit on hand. The Geelong College Recreational staff will provide Assistance for all First Aid cases.
- The Geelong College Recreation Centre has a policy that states all swimmers must wear swimming caps. Due to health regulations caps and goggles cannot be borrowed from The Geelong College Recreation Centre. Both can be purchased at the Rec Centre.
- No photography to be taken unless prior arrangement with Management.
- WWCC is recommended for all school helpers
- Grades 4, 5 & 6 will be assessed for the Victorian Water Safety Certificate.

School –

To ensure that your program runs efficiently, below is a checklist for you to tick off.

Procedure	Completion Date	Completed
1. Check availability of your preferred dates and times with Sue by phone or email.	At conclusion of previous program	
2. Complete the facility booking form with estimated numbers of students and teachers. Include your certificate of currency.	https://www.geelongcollege.vic.edu.au/community/recreation-centre/recreation-centre-hire-application	
3. Notify parents to gain information of their child's level. Have a final cut-off date *		
4. Full names of all students participating, listed in their appropriate level to be sent via email to Sue, with any medical or behavioural issues stated.		
5. Inform Sue of any tweaking. Any major changes will not be accepted at this late stage.		
6. Groups will be sent to you before you commence. Please let students know their animal group before they come, to save time.
