Message to Year 10 parents

Over the last few days the information and circumstances related to Coronavirus have been developing rapidly. These developments are being monitored closely and have a clear impact upon the overseas Year 10 Fulfilling Lives Program scheduled to depart in 3 weeks time.

Given the uncertainty about the immediate future, risk and impact of Coronavirus, a decision has been made not to run the overseas trips as planned in the final week of this term. This decision has been made in the context of concern for the safety and wellbeing of our students and staff.

We are currently working with the providers of our overseas Fulfilling Lives trips to explore the full range of options available. The discussion about alternatives are well advanced but require careful consideration. We will provide you with more information later this week.

As a consequence of this, the Fulfilling Lives Trivia night scheduled for tomorrow (Tuesday, 3 March) has been postponed. Again, more information will be circulated at a later date in relation to rescheduling this event.

It is important to emphasise the domestic component of the Fulfilling Lives program (Central Australia trips and Local Connections) will continue to run in the final week of this term as planned.

I understand there will be mixed feelings of disappointment and possibly relief for some with this decision related to the international trips. On the basis of all the information available to us I believe this is the responsible course of action to take to ensure the safety and wellbeing of our students and staff at this time.

Thank you for your patience and understanding as we seek to reorganise the plans for the Year 10 Fulfilling Lives overseas trips this year.

Regards

Yours sincerely

Dr Peter Miller
Principal
